MEMORANDUM FOR: Deputy Director for Operations
FROM : John F. Blake
Deputy Director for Administration

Bill:

The contents of the attached memorandum for the record tend to disturb me for reasons which I believe will be obvious to you. I choose to do nothing more at the moment with this before you have had a chance to absorb it. I do feel, however, that I am under some obligation to forward it to the Inspector General. May I have your comments?

<p>Anarchy breaks out in strange forms and places. This was a most valuable collection, and it is gone. It highlights the need for a decision on historians.</p>
